The U.S. Department of Housing and Urban Development (HUD) has allocated special Emergency Solutions Grants (ESG) Program funds in the amount of \$1,160,338 to the City of Springfield. These ESG-CV funds are authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136, and are to be used to prevent, prepare for, and respond to the coronavirus pandemic (COVID-19) among individuals and families who are homeless or receiving homeless assistance; and to support additional homeless assistance and homelessness prevention activities to mitigate the impacts of COVID-19.

The City will use the ESG-CV funds to provide appropriate temporary emergency shelter to people experiencing homelessness, particularly those who need to quarantine or isolation, or who are fleeing domestic violence; and to provide prevention and rapid rehousing to prevent additional homelessness.
